

Prayer of the week:

Blessed Lord, you have caused all holy Scriptures to be written for our learning: grant that we may so hear them, read, mark, learn and inwardly digest them, that, by patience and the comfort of your holy word, we may embrace and ever hold fast the blessed hope of everlasting life, which you have given us in our saviour Jesus Christ. Amen.

UNEXPECTED BLESSINGS

St Jude's Carlton

One of our congregation members was diagnosed with dementia a number of years ago. He has been been cared for at home by his wife for the majority of that time. This year, he has spent 7 months in hospital and at an aged care facility. This has been very difficult for all involved in light of the challenges Covid presents.

He is now back home. Each week, our congregation meets together on Zoom after our live-streamed service. Meeting on Zoom has meant over the last few weeks, our dear brother has been able to join us in our after service gatherings, in ways that were not possible when we were meeting face to face. This has been a great encouragement, a wonderful joy, and such an unexpected blessing that God has given us in this season. Praise the Lord!
