Use of these facilities is only by prior arrangement in all circumstances and *may from now on include an additional charge*.

As a general guide Evans Hall tenants may, without additional fee, use the kitchen for light refreshments only, provided your own crockery and cutlery are used. The oven and dishwasher are not to be used without authorisation. Your own rubbish should not be left behind. Please take this away.

The Application Form will detail your rights and obligations.

If you believe that special circumstances apply (eg eligibility for tax concession for Not-for-Profit activities, or for other reasons), please discuss with the Property Coordinator.
